New York subway 28 days with a knife-wounding incident, a 31-year-old female passengers trying to stand up for her seat, no reason to be neighbors unfamiliar woman cut face with a sharp knife, so that blood flow, such as pain, painful. And the whole process of violence even in front of a female passenger 1-year-old son's face, it is heinous. After the incident, the police soon arrested the assailant woman, who was charged with two counts of illegally holding arms and injuring children.

According to the British "Daily Mail" reported on May 28, about 11 o'clock that day, 31-year-old woman Anna Martinez with a 1-year-old son at the Central Railway Station in New York to take a southbound line 5 subway, was an unfamiliar older woman with razor attack. Anna's face was cut knife, on the spot blood, the pain was shouting help. Passengers inside the cabin quickly rushed to the police, the assailant woman in the subway station stop when the fled to escape the scene.

Injured Anna

Witnesses said the incident when Anna was holding the baby, when she noticed a manners erratic elderly woman trying to close himself, immediately get up and leave, want to go elsewhere looking for seats. Unexpectedly, this move annoyed each other, she took out a sharp tool directly to the Anna's forehead and face, regardless of the baby in the effort to cry.
